Background of EGI Group and its Mission

As of the beginning to international cooperation. Giant investments in the production sector to give Kosovo the most modern factories with the latest technology machines. In 2017, it started manufacturing products bearing the Pi & Ki brand, where many of them were ranked as leading products in the local market within a very short period of time. 6 food factories with 11 different production lines: Peanut Factory, Biscuit Factory, Pasta Factory, Chocolate Cream Factory, Flips Factory and Potato Chip Factory.

Factory for the production of wet and dried tissues

Factory for the production of foils

Plastic Bag Factory

Productions are manufactured by precision under the supervision of the professional staff and the production standards HACCP, Halal Certification, KOSHER, ISO 22.000 and 9001.

Believing in the quality of products and professionalism, it started with Exports to European and American countries as of 2018.
